**Annual seminar of the French Society of Veterinary Pathology**

***Urinary pathology of Carnivores: An update on  
tumoral and non tumoral disorders***

**16<sup>th</sup>- 17<sup>th</sup> November 2018**

Ecole Vétérinaire D'Alfort  
Amphithéâtre Brion

**Guest speakers**

Dr Rachel Ciancolo (Ohio State University, USA)  
Dr Rachel Lavoué (ENVV, Toulouse, France)

---

***Objectives***

We are very pleased to have Dr Rachel Ciancolo and Dr Rachel Lavoué as our invited expert pathologist and clinician this year for our annual seminar.

This one and a half-day workshop will allow participants to discuss a variety of cases of urinary pathology with the speakers and share their experience. Participants will enjoy the cases through digital microscopy, as well as lectures.

All attendees are kindly requested to provide non-tumoral and tumoral urinary pathology cases (kidney and urinary bladder) from their own daily practice in canine or feline histopathology. The submitted cases should include complete clinical history, gross pictures if available and stained histological slides. Digitalized sections will be used during the seminar.

The dead-line for case submission is **5th October 2018**. Additional information is under "*Case submission information*" section below.

## *Preliminary Agenda*

---

### **Friday 16th November 2018**

<b>8:00-9:00</b>	Registration & Welcome
<b>9:00-10:00</b>	<b>Urinary pathology : the clinician's point of view</b> Dr Rachel Lavoué
